

## Maiden Erlegh Preschool – Photographic Permission form

From time to time we like to record your child’s learning with photographic evidence. There will also be events during his or her time at Pre-school which will be photographed or videoed. In order for your child to appear in a photo or video recording it is necessary for us to have your written permission.

**Please tick and initial the boxes next to the type(s) of photo and video you are willing to give consent for and sign the bottom of the form before returning it to preschool**

Please note, however, that by refusing permission for photographs or videos of events and for display or publication (e.g. in local newspapers or on the pre-school website) you may be excluding your child from taking part in some or all of an activity. Should you have any concerns about this please speak to the Pre-school Manager or Supervisor before signing this form.
